

BBCI SKULL BASE COURSE

Anterior Skull Base Malignancies

9th & 10th May, 2025

Organized by:

Dr. B. Borooah Cancer Institute, Guwahati
in association with **Dept. of Anatomy, GMCH**

Association Partners -
AONEI, NEHNOF, FHNO

HIGHLIGHTS

- Endoscopic Endonasal Cadaveric Dissection (Limited Seats for Hands-on)
 - Didactic Lectures
- Case Based Panel Discussion

Guest Faculties

Prof. Prathamesh S Pai
Consultant Surgeon
Former Professor and Chief,
Head & Neck Services
Tata Memorial Hospital, Mumbai

Prof. Deepa Nair
Professor
Head & Neck Services
Tata Memorial Hospital, Mumbai

**We look forward to your participation
in this educational and networking event
on 9th and 10th May 10, 2025!**

**Click Here to
REGISTER**

Organizing Chairperson
Dr. Tashnin Rahman
Organizing Secretary
Dr. Kaberi Kakati

About the CME

Join us for an insightful **Continuing Medical Education (CME)** program focusing on **Sinonasal Malignancies and Anterior Skull Base (ASB) Surgery**. This event will bring together leading experts in the field to discuss cutting-edge advancements, surgical techniques, and multidisciplinary management approaches. It is designed for **head & neck surgeons, neurosurgeons, oncologists, radiologists, and allied specialists** who aim to enhance their understanding and clinical expertise in this challenging domain.

Why Attend ?

- **Expert-Led Sessions** – Gain insights from renowned national and international faculty.
- **Multidisciplinary Perspectives** – Learn from head & neck surgeons, neurosurgeons, oncologists, and radiologists.
- **Latest Advances** – Explore **innovations in endoscopic & robotic skull base surgery**, systemic therapies, and patient outcomes.
- **Interactive Panel Discussions** – Engage in case-based discussions with experienced specialists.
- **Networking Opportunities** – Connect with peers, researchers, and industry leaders in skull base oncology.

Who Should Attend?

- Head & Neck Surgeons
- Neurosurgeons
- Medical & Radiation Oncologists
- Radiologists & Pathologists
- ENT Specialists
- Surgical Trainees & Residents
- Researchers in Skull Base Oncology
- Anatomists

BBCI SKULL BASE COURSE

ENDOSCOPIC ENDONASAL CADAVERIC DISSECTION WORKSHOP

DAY - 1 [9th May (Friday), 2025]

8:30 am Onwards	:	REGISTRATION
9:30-9:50 am	:	INAUGURATION
9:50-10:10 am	:	SURGICAL IMPORTANCE OF ENDOSCOPIC SINUS ANATOMY

10:15 am – 12:00 pm : SESSION - I

ENDOSCOPIC NASOSEPTAL FLAP ELEVATION AND TRANSPHENOID APPROACH

10:15 – 10:25 am	:	Overview on Surgical Steps
10:30 – 11:15 am	:	Prosection/Demonstration
11:00 am – 12:00 pm	:	Dissection Under Guidance

12:00 pm – 1:45 pm : SESSION - II

ENDOSCOPIC TRANSCRIBRIFORM APPROACH

12:00-12:10 pm	:	Overview on Surgical Steps
12:15 – 1:00 pm	:	Prosection/Demonstration
12:45 – 1:45 pm	:	Dissection under Guidance

1:30 – 2:30 pm : LUNCH BREAK

2:30 – 4:00 pm : SESSION - III

ENDOSCOPIC TRANSPTERYGOID APPROACH

2:30 – 2:40 pm	:	Overview on Surgical Steps
2:45 – 3:30 pm	:	Prosection/Demonstration
3:00 – 4:00 pm	:	Dissection Under Guidance

BBCI SKULL BASE COURSE

CONTINUED MEDICAL EDUCATION (CME)

DAY - 2 [10th May (Saturday), 2025]

REGISTRATION

■ 8:30 am onwards

INAUGURATION & INTRODUCTION

■ 9:00 – 9:30 am

SESSION - I

Understanding the Foundation – Anatomy, Imaging, and Pathology : *Building Blocks for Safe and Effective Skull Base Surgery.*

■ 9:30 – 11:00 am

1. Endoscopic Anatomy for Anterior Skull Base Surgeries – 9:30 – 9:50 am
2. Key Imaging Features in Sinonasal Tumors: What to Look For? – 9:50 – 10:10 am
3. Histological Spectrum of Sinonasal Malignancies & Its Clinical Relevance – 10:10 – 10:30 am
4. Ethical Pitfalls in Surgical Trials: Lessons from the Past – 10:30 – 10:50 am

Tea Break: 11:00 – 11:15 am

SESSION - II

Surgical Mastery – Techniques, Approaches, and Avoiding Pitfalls : *From Planning to Execution: Optimizing Surgical Outcomes*

■ 11:15 am – 1:00 pm

1. How to Approach a Case of Sinonasal Tumor: Stepwise Decision-Making – 11:15 – 11:35 am
2. Surgical Approaches in Managing Sinonasal Malignancies: When & How? – 11:35 – 11:55 am
3. Management of Orbital Involvement in Sinonasal Malignancies – 11:55 am – 12:15 pm
4. Avoiding & Managing Complications in Anterior Skull Base Surgery – 12:15 – 12:35 pm
5. Advanced Endoscopic & Robotic Skull Base Surgery: The Future – 12:35 – 12:55 pm

Lunch Break: 1:00 – 2:00 pm

Venue: Auditorium, Dr. B. Borooah Cancer Institute, Guwahati

BBCI SKULL BASE COURSE

CONTINUED MEDICAL EDUCATION (CME)

DAY - 2 [10th May (Saturday), 2025]

SESSION - III

Beyond the Scalpel – Systemic Therapies and Survivorship : *Integrating Non-Surgical Modalities for Better Patient Care*

■ 2:00 – 3:40 pm

1. Non-Surgical Management of Sinonasal Malignancies – 2:00 – 2:20 pm
2. Role of Chemotherapy & Immunotherapy: Current Evidence – 2:20 – 2:40 pm
3. Challenges in Managing Recurrent Sinonasal Malignancies – 2:40 – 3:00 pm
4. Quality of Life (QoL) Considerations Post-ASB Malignancy Treatment – 3:00 – 3:20 pm
5. Setting Up a Skull Base Clinic: The Surgeon's Perspective – 3:20 – 3:40 pm

Tea Break: 3:40 – 3:55 pm

SESSION - IV

Real-World Challenges – Multidisciplinary Perspectives on Sinonasal Malignancies: *Bridging the Gap Between Evidence and Practice*

■ 4:00 – 4:50 pm

Panel Discussion – A Multidisciplinary Approach to Sinonasal Malignancies

Panelist :

Head & Neck Surgeon
Neurosurgeon
Medical Oncologist
Radiation Oncologist
Radiologist
Pathologist

■ 4:50 – 5:00 pm Vote of Thanks

Venue: Auditorium, Dr. B. Borooah Cancer Institute, Guwahati
