NOTICE FOR PRE-BID MEETING

Dr. B. Borooah Cancer Institute, Guwahati is planning to acquire a **4K Minimally Invasive Surgery System (MIS)** through tender. The Institute is keen to introduce the most updated MIS system which is optimally matched with the requirements of the users.

The system should have a set of 4K digital imaging hardware and Dicom compatible software, with gas delivery and evacuation system. The entire system should be capable of multiple simultaneous displays, transmission of images to distant workstations / projections, capable of connecting to storage devices and systems without restriction and should have highest standards of patients / operator safety inbuilt into it. Overall, the system should be most ideal for complex MIS procedures as well as of surgeons in various areas of minimally invasive onco-surgery. It is understood that the technology of 4K systems is rapidly evolving, and the industry is quick to update systems with various capabilities. Therefore, it is deemed essential that a pre-bid meeting with interested vendors is held prior to finalization of technical specifications for the tender, so that the most optimal configuration may be acquired by the Institute.

The pre-bid meeting is convened as per programme below:

- Date : 16th July 2019 (Tuesday)
- Time : 11:00 AM
- Venue : Conference Hall, BBCI
(Administrative Block, 2nd Floor, OPD Building)

Each vendor will be allotted 60 minutes for presentation and interaction with the experts.

Interested vendors are requested to send mail to **bbc_info@yahoo.co.in** to receive allotment of slot for presentation. Only those vendors who participate in the Pre-Bid Meeting will be eligible for final tender.

For any queries, mail to **bbc_info@yahoo.co.in**
